- 2-7-3: Partial Prepayment of Special Assessments
- 2-7-4: Current Services – Special Assessment
- 2-7-5: Special Assessment for Cost Recovery

2-7-1: SPECIAL ASSESSMENT POLICY. The City of St. Francis will follow the requirements and procedures outlined in Minn. Statute, Section 429 for local improvements and special assessments initiated under this Section of the City Charter or initiated pursuant to state law. The City may also follow an assessment policy created by resolution that provides for additional provisions and procedures consistent with Minn. Statute, Section 429 and Chapter 8 of the City Charter. (Ord 67, SS, 6-18-2001; Ord 90, SS, 5-16-2005)

2-7-2: DEFERMENT OF SPECIAL ASSESSMENTS.

- A. The Council may defer the payment of any special assessment on homestead property owned by a person who is sixty-five (65) years of age or older, or who is retired by virtue of permanent and total disability, and the Finance Director is hereby authorized to record the deferment of special assessments where the following conditions are met: (Ord. 229, SS, 06-19-17)
1. The applicant must apply for the deferment not later than ninety (90) days after the assessment is adopted by the Council.
 2. The applicant must be sixty-five (65) years of age, or older, or retired by virtue of permanent or total disability.
 3. The applicant must be the owner of the property.
 4. The applicant must occupy the property as his principal place of residence.
 5. The applicant's income from all sources shall not exceed the low income limit as established by the Department of Housing and Urban Development as used in determining the eligibility for Section VIII housing.

- B. The deferment shall be granted for as long as a period of time as the hardship exists and the conditions as aforementioned have been met. However, it shall be the duty of the applicant to notify the City Clerk or Finance Director of any change in his status that would affect eligibility for deferment. (Ord. 229, SS, 06-19-17)

- C. The entire amount deferred special assessments shall be due within sixty (60) days after loss of eligibility of the applicant. If the special assessment is not paid within sixty (60) days, the Finance Director shall add thereto interest at eight (8) percent per annum from the due date through December 31 of the following year and the total amount of principal and interest shall be certified to the County Auditor for collection with taxes the following year. Should the applicant plead and prove, to the satisfaction of the Council, that full repayment of the deferred special assessment would cause the applicant particular undue financial hardship, the Council may order that the applicant pay within sixty (60) days a sum equal to the number of installments of deferred special assessments outstanding and unpaid to date (including principal and interest) with the balance thereafter paid according to the terms and conditions of the original special assessment. (Ord. 229, SS 06-19-17)

- D. The option to defer the payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following:
 - 1. The death of the owner where there is no spouse who is eligible for deferment.
 - 2. The sale, transfer or subdivision of all or any part of the property.
 - 3. Loss of homestead status on the property.
 - 4. Determination by the Council for any reason that there would be no hardship to require immediate or partial payment.

2-7-3: PARTIAL PREPAYMENT OF SPECIAL ASSESSMENTS.

- A. Partial Prepayment of Assessments Permitted. After the adoption of an assessment roll pursuant to Minnesota Statutes, Chapter 429, as amended, and before certification of said assessment roll to the County Auditor, the Finance Director, or other authorized official, is authorized and directed to accept partial prepayment of said assessment, and reduce the amount certified to the County Auditor accordingly. As provided by law, such partial prepayment may be accepted only during the thirty-day period following approval of the assessment roll. (Ord. 229, SS, 06-19-17)

- B. Scope. This Section shall apply to all assessment rolls which, on the effective date hereof, have been adopted by the Council but not yet certified to the County Auditor, and to all assessment rolls subsequently adopted by the Council.

2-7-4: CURRENT SERVICES – SPECIAL ASSESSMENT.

- A. Definition. “Current Service”, as used in this Section, means one or more of the following: (1) removal of snow, ice, dirt, and refuse from sidewalks, (2) eliminate weeds and cut grass on private property and on non-traveled portions of abutting streets, (3) remove or eliminate public health or safety hazards from private property, (4) repair abutting sidewalks, (5) street sprinkling, street flushing, light street oiling, or other dust treatment of streets, (6) trimming and care of trees and removal of unsound trees from public streets or private property, and (7) the operation of a street lighting system.
- B. Responsibility of Owner or Occupant. It is the primary responsibility of all owners and occupants of private property to (1) remove snow, ice, dirt and refuse from adjacent sidewalks, (2) eliminate weeds and cut grass thereon and on non-traveled portions of abutting streets, (3) remove or eliminate public health or safety hazards there from, and (4) repair abutting sidewalks.
- C. Ice, Snow, Dirt and Refuse on Sidewalks. All ice and snow within twenty-four (24) hours after it ceases to be deposited thereon, and all dirt and refuse deposited thereon, shall be removed by the owner or occupant of abutting private property. If ice, snow, dirt or refuse is not so removed the City may do so and keep a record of the cost attributable to each property.
- D. Weeds and Grass. On or before June 1 of each year and at such other times as may be ordered by the Council, the City may publish notice in the official newspaper to cut and remove all weeds whether noxious or not, and cut all grass, on private property having attained a height of six (6) inches and on non-traveled portions of abutting streets, within seven (7) days after such notice. If weeds are not so cut and removed, or if grass is not so cut, the City may do so and keep a record of the cost attributable to each property.
- E. Public Health and Safety Hazards.
 - 1. Any condition, whether or not unlawful, permitted or maintained on private property and reported to the Community Development Director shall be referred to a member of the City staff or department he deems appropriate for investigation. If it is found that such condition is a hazard to the public health or safety, a written report of the findings shall be prepared and presented to the Council at its meeting next following the preparation of such report. The Council shall consider such report and may call a hearing thereon upon at least twenty (20) days written notice mailed to the

owner and occupant of the subject premises, which notice shall include a copy of such findings. This Section does not relate to hazardous buildings. (Ord. 229, SS 06-19-17)

2. If, at the time of the hearing, the Community Development Director shall report that the hazard has been eliminated, hearing shall not be held, and the matter closed. If at such time the hazard has not been eliminated, the hearing shall proceed and be handled as an administrative appeal under this Chapter. (Ord. 229, SS 06-19-17)
3. Upon the evidence adduced at the hearing the Council shall make findings which shall be forthwith served upon the owner and occupant of the premises. If it is found that a public health or safety hazard exists on such premises, a notice shall accompany such findings, which notice shall state that the owner and occupant have ten (10) days to eliminate such hazard or the City will do so under the authority of this Section.
4. If the owner and occupant do not so eliminate such hazard, or commence and do not proceed with such elimination, the City may do so and keep a record of the cost thereof.

F. Street Sprinkling, Street Flushing, and Tree Care.

1. The Council may each year determine what streets shall be sprinkled or flushed, oiled, or given other dust treatment during the year and the kind of work to be done on each. The council may also determine from time to time the streets on which trees (other than diseased trees) shall be trimmed and cared for, the kind of work to be done, and what unsound trees shall be removed. The City Clerk shall, under the Council's direction, publish notice that the Council will meet to consider such projects. Such notice shall be published in the official newspaper at least once no less than two weeks prior to such meeting of the Council and shall state the date, time and place of such meeting, the streets affected and the particular projects proposed and the estimated cost of each project, either in total or on the basis of the proposed assessment per front foot or otherwise. (Ord. 229, SS 06-19-17)
2. At such hearing the Council shall hear property owners with reference to the scope and desirability of the proposed projects. The Council shall thereupon adopt a resolution confirming the original projects with such modifications as it considers desirable and shall provide for doing the work by day labor or by contract. The City shall keep a record of the cost and the portion of the cost properly attributable to each lot and parcel of property abutting on the street.

- G. Personal Liability. The owner of property on or adjacent to which a current service has been performed shall be personally liable for the cost of such service. When the service has been completed and the cost determined, the City may prepare a bill and mail to the owner and the amount shall then be due and payable.
- H. Assessment. Charges for any current services unpaid after billing, and after notice and hearing, may be certified to the County Auditor and collected as any other special assessment.

2-7-5: SPECIAL ASSESSMENT FOR COST RECOVERY. (Ord 134, SS, 3-2-2009)

- A. Enforcement of Charges. - B. Assessment. Charges for any services unpaid after billing for at least ninety (90) days, and after notice and hearing, may be certified to the County Auditor and collected as any other special assessment.
- C. Administrative Fees. Any associated administrative costs related to the assessment may be included in the assessment.
- D. Right of Action. Any charges, levied by and pursuant to this section, and which have not been properly billed to the owner or occupant of any premises served, and not paid, may be recovered in a civil action by the City in any court of competent jurisdiction.

SECTION 8
FRANCHISES

SECTION:

2-8-1: Franchises

2-8-1: FRANCHISES.

- A. Definition. The term “franchise” as used in this Section shall be construed to mean any special privileges granted to any person, in, over, upon or under any of the streets or public places of the City, whether such privilege has heretofore been granted by it or by the State of Minnesota, or shall hereafter be granted by the City or by the State of Minnesota.
- B. Franchise Ordinances. The Council may grant franchises by ordinance. Franchise rights shall always be subject to the superior right of the public to the use of streets and public spaces. All persons desiring to make any burdensome use of the streets or public places, inconsistent with the public’s right in such places, or desiring the privilege of placing in, over, upon or under any street or public place any permanent or semi-permanent fixtures for the purpose of constructing or operating railways, telegraphing, or transmitting electricity, or transporting by pneumatic tubes, or for furnishing to the City or its inhabitants or any portion thereof, transportation facilities, water, light, heat, power, gas, or any other such utility, or for any other purpose, shall be required to obtain a franchise before proceeding to make such use of the streets or public places or before proceeding to place such fixtures in such places.
- C. Power or Regulation Reserved. The City shall have the right and power to regulate and control the exercise by any person, of any franchise however acquired, and whether such franchise has been heretofore granted by it or by the State of Minnesota.
- D. Conditions in Every Franchise. All conditions specified in this Section shall be a part of every franchise even though they may not be expressly contained in the Franchise:
1. That the grantee shall be subject to and will perform on its part all the terms of this Section and will comply with all pertinent provisions of the City Charter and City Code, as the same may from time to time be amended.
 2. That the grantee shall in no case claim or pretend to exercise any power to fix fares, rates, and charges; but that such fares, rates, and charges,

shall at all times be just, fair and reasonable for the services rendered and shall in all cases be fixed and from time to time changed, unless regulated by agency of the State of Minnesota, in the manner following:

- a. A reasonable rate shall be construed to be one which will, with efficient management, normally yield above all operating expenses and depreciation, and fair return upon all money invested.
 - b. If possible, maximum rates and charges shall be arrived at by direct negotiation with the Council.
 - c. If direct negotiations fail to produce agreement, the Council shall, not less than thirty (30) days before the expiration of any existing rate schedule or agreement, appoint an expert as its representative, the franchisee shall likewise appoint an expert as its representative and the two of them shall appoint a third person, preferable an expert, and the three of them shall constitute a board of arbitration. The board shall report its findings as soon as possible and the rates and charges it shall agree upon by majority vote shall be legal and binding, subject only to review by a court of competent jurisdiction upon application of one of the parties.
3. That the Council shall have the right to require reasonable extension of any public service system from time to time, and to make such rules and regulations as may be required to secure adequate and proper service and to provide sufficient accommodations for the public.
 4. That the grantee shall not issue any capital stock on account of the franchise or the value thereof, and that the grantee shall have no right to receive upon condemnation proceeding brought by the City to acquire the public utility exercising of such franchise, any return on account of the franchise or its value.
 5. That no sale or lease of said franchise shall be effective until the assignee or lessee shall have filed with the City in instrument, duly executed, reciting the facts of such sale or lease, accepting the terms of the franchise, and agreeing to perform all the conditions required of the grantee thereunder.
 6. That every grant in said franchise contained of permission for the erection of poles, masts, or other fixtures in the streets and for the attachment of wires thereto, or for the laying of tracks in, or of pipes or conduits under the streets or public places, or for the placing in the streets or other public places of any permanent or semi-permanent fixtures whatsoever, shall be subject to the conditions that the Council shall have the power to require such alterations therein, or relocation or rerouting thereof, as the Council

may at any time deem necessary particularly that it shall have the power to require the removal of poles, masts, and other fixtures bearing wires and the placing underground of all facilities or whatsoever purpose used.

7. Every franchise shall contain a provision granting the City the right to acquire the same in accordance with statute.
 8. That the franchisee may be obligated by the City to pay the City fees to raise revenue or defray increased costs accruing as a result of utility operations or both, including, but not limited to, a sum of money based upon gross operating revenues or gross earnings from its operations in the City.
- E. Further Provisions of Franchises. The enumeration and specification of particular matters which must be included in every franchise or renewal or extension thereof, shall not be construed as impairing the right of the City to insert in any such franchise or renewal or extension thereof such other and further conditions and restrictions as the Council may deem proper to protect the City's interests, nor shall anything contained in this Section limit any right or power possessed by the City over existing franchises.

SECTION 10

APPEALS

SECTION:

- 2-10-1: Right to Administrative Appeal
- 2-10-2: Rules of Procedures for Appeals and Other Hearings

2-10-1: RIGHT TO ADMINISTRATIVE APPEAL. If any person shall be aggrieved by any administrative decision of the City Administrator or any other City official, or any Board or Commission not having within its structure an appellate procedure, such aggrieved person is entitled to a full hearing before the Council upon serving a written request therefore upon the Mayor and City Clerk at least five (5) days prior to any regular Council meeting. Such request shall contain a general statement setting forth the administrative decision to be challenged by the appellant. At such hearing the appellant may present any evidence he/she deems pertinent to the appeal, but the City shall not be required to keep a verbatim record of the proceedings. The Mayor, or other officer presiding at the hearing, may, in the interest of justice or comply with time requirements and on his own motion or the motion of the appellant, the City Administrator, or member of the Council, adjourn the hearing to a more convenient time or place, but such time or place shall be fixed and determined before adjournment so as to avoid the necessity for formal notice of reconvening. (Ord. 229, SS 06-19-17)

2-10-2: RULES OF PROCEDURE FOR APPEALS AND OTHER HEARINGS. The Council may adopt by resolution certain written rules of procedure to be followed in all administrative appeals and other hearings to be held before the Council or other bodies authorized to hold hearings and determine questions therein presented. Such rules of procedure shall be effective thirty (30) days after adoption and shall be for the purpose of establishing and maintaining order and decorum in the proceedings.

SECTION 11

ADMINISTRATIVE ENFORCEMENT OF CODE REGULATIONS

(Ord 174, SS, 9-24-12)

SECTION:

- 2-11-1: Purpose and Intent
- 2-11-2: General Provisions
- 2-11-3: Procedure
- 2-11-4: Appeal and Hearing
- 2-11-5: Judicial Review
- 2-11-6: Violation A Misdemeanor

2-11-1: PURPOSE AND INTENT. The administrative enforcement procedures established within this Chapter are intended to provide the City of St. Francis with an informal, cost-effective and more efficient supplement or alternative to criminal prosecution or civil litigation for certain violations of the adopted City Code. The City of St. Francis retains the right, at its sole discretion, to enforce provisions of this Code by bringing criminal charges or commencing civil litigation in any case where the City determines it is appropriate or necessary, but finds that an administrative process is beneficial to the residents of the City and further finds that that such a process is a legitimate and necessary alternative method of enforcing Code violations.

2-11-2: GENERAL PROVISIONS.

- A. Administrative Offenses. Any violation of any section or chapter of the City Code, and any violation of the terms and/or conditions of any license, permit, or other approval issued pursuant to the City Code, is an administrative offense that may be subject to an administrative citation and administrative fines.
- B. Continuing Violations. Each day a violation exists constitutes a separate and distinct offense for which a separate penalty can be imposed. The City Administrator can exercise discretion in imposing an administrative fine for more than one day of a continuing offense.
- C. Schedule of Fines. The City Council shall adopt by ordinance, as part of the fee schedule, a schedule of administrative fines for offenses for which an administrative citation is issued. A current fee schedule shall be kept on file at City Hall.
- D. No Limitation on Remedies. Nothing herein is intended or shall require the City to utilize the administrative citation process or otherwise pursue the remedies outlined in this section. The City retains the right to pursue any and all other

remedies authorized by law to enforce the City Code or penalize violations of city ordinances, including, but not limited to, issuance of a stop work order, abatement, criminal prosecution, and/or application for civil penalties or injunctive relief.

- E. Code Compliance Officer. The Code Compliance Officer shall be any person so appointed to carry out such duties so assigned by the City Administrator including but not limited to the Building Official, Zoning Administrator, Public Works Director, City Clerk, Fire Chief, and any member of the Police Department.

2-11-3: PROCEDURE.

- A. Administrative Notice. A Code Compliance Officer may issue, either in person or by United States first class mail, an administrative notice to a person suspected, alleged or known to have committed a code offense and/or to be the owner of property upon which a code offense is being committed. The Administrative Notice shall identify the code offense, the location upon which the code offense is alleged to have occurred or is occurring, and the corrective action for the code offense. The administrative notice may also state that the alleged violator has, at the discretion of the Code Compliance Officer, no more than twenty (20) days to correct or abate the code offense. Immediate compliance may be required upon the existence of a public health or safety condition. If the alleged violator and/or owner of property upon which a code offense is being committed is unable to correct or abate the code offense within the prescribed time, that person may request in writing an extension of no more than thirty (30) additional days from the Code Compliance Officer. Any extension granted by the Code Compliance Officer shall be in writing and shall specifically state the date of expiration, which shall be determined at the discretion of the Code Compliance Officer. If the code offense is not corrected or abated, as outlined in the administrative notice, within the prescribed time or any extension thereto, the Code Compliance Officer may issue a citation, as provided in Section 2-11-3-C.
- B. Exceptions to Administrative Notice. For violations of any of the following sections, the City shall not be required to issues an administrative notice or compliance letter and may proceed directly to an administrative citation as provided for in Section 2-11-3-C:
 - 1. Repeat Offenders. If the same owner or person commits a subsequent violation within twelve (12) months of after an administrative notice or citation has been issued for the same or similar offense, no compliance letter or administrative notice shall be required for the new violation.
 - 2. License Violations. For any license violations, including not having a license, no compliance letter or administrative notice shall be required.

- C. Citation. Upon receiving no response or continued noncompliance following issuance of the administrative notice or code compliance letter as stated in Section 2-11-3-A, the Code Compliance Officer may issue a citation. The citation shall be given to the person responsible for the violation and/or to the owner of the property upon which the alleged violation has occurred, either by personal service or by United States first class mail. Said citation shall state the nature of the code offense, the time and date said alleged code offense occurred, the civil penalty applicable to that code offense as set forth in a schedule of civil penalties which shall be adopted by resolution of the City Council from time to time, and the manner for paying the civil penalty or requesting a hearing before a hearing officer to contest the citation.
- D. Responding to a Citation. Once a citation is issued, the alleged violator and/or the owner of the property upon which the alleged violation has occurred shall, within ten (10) days of the time of issuance of the citation, either pay the civil penalty set forth in the citation or request a hearing in writing according to the procedure set forth in Section 2-11-4-A. The civil penalty may be paid either in person at City Hall, or by United States first class mail, postage prepaid and postmarked within said prescribed fourteen (14) days. Payment of the civil penalty shall be deemed to be an admission of the code offense.
- E. Payment of Penalty.
1. Payment of a Penalty and Correction of Violation. If the owner pays the administrative civil penalty and corrects the City Code violation, no further action will be taken against the owner or the owner's real property for that same violation.
 2. Payment of Penalty without Correction of Violation. If the owner pays the administrative civil penalty but fails to correct the City Code violation, the City may issue subsequent administrative citations, initiate criminal proceedings, or initiate any other proceeding or remedies available in order to enforce correction of the City Code violation.
 3. No Payment of Penalty and No Correction of Violation. If the owner fails to pay the administrative civil penalty but fails to correct the City Code violation, the City may do any of the following, or any combination thereof:
 - a. Assess the administrative civil penalty against the property pursuant to Minnesota Statutes Chapter 429.
 - b. Issue a subsequent administrative citation, thereby commencing a new administrative penalties process.
 - c. Initiate criminal proceedings.

- d. Initiate any other enforcement action authorized by law.

2-11-4: APPEAL AND HEARING.

- A. **Requesting a Hearing.** Any person receiving an administrative citation may contest the alleged violation and the amount of the administrative civil penalty. In order to contest any part of the administrative citation, the owner or individual contesting the citation must notify the City Clerk in writing within ten (10) calendar days after the citation is mailed or otherwise delivered. The written request shall state the name of the individual, indicate whether they are contesting the alleged violation, the amount of the penalty, or both and must also specify the reason and facts upon which the individual is contesting the citation.
- B. **Hearing Officer.** The hearing officer shall be a neutral third party appointed by the City Council and shall preside over the hearing and make any judgment as authorized by Section 2-11-4-D.
- C. **Conduct at Hearing.** A hearing officer shall conduct an informal hearing to determine if a violation has occurred. The hearing officer shall consider the record and any additional evidence presented at the hearing and accepted into the record by the hearing officer before making a determination. The officer shall receive and give weight to evidence, including hearsay evidence that possesses probative value commonly accepted by reasonable and prudent people in the conduct of their affairs. The City will have the burden of proving the existence of a violation and the reasonableness of any required corrective action by a preponderance of the evidence. The determination of the enforcement officer will be given substantial weight by the hearing officer in determining the reasonableness of any required corrective action.
- D. **Authority of Hearing Officer.** The independent hearing officer has the authority to do any of the following, or a combination thereof:
 - 1. Make a finding that a violation has occurred;
 - 2. Reduce, stay, or waive a scheduled administrative civil penalty either unconditionally or upon compliance with reasonable conditions;
 - 3. Require compliance with the City Code within a specified timeframe;
 - 4. Make a finding that no violation has occurred and dismiss the administrative citation.
- F. **Owner/Individual Found in Violation.** If the violation is sustained by the hearing officer, the violator shall pay the penalty imposed plus an additional

administrative hearing fee as prescribed by the City's Fee Schedule to cover the cost of the hearing within fourteen (14) days of the date of the decision.

- G. Failure to Appear. Failure to appear at the hearing shall result in a default judgment against the party who fails to appear. If the owner fails to appear, the administrative citation shall be sustained. If the City fails to appear, the administrative citation shall be dismissed.

2-11-5: JUDICIAL REVIEW. The Hearing Officer's decision is final without any further right of administrative appeal. Further appeal shall be to the Minnesota Court of Appeals under the Minnesota Rules of Civil Procedure.

2-11-6: VIOLATION A MISDEMEANOR. The following are misdemeanors, punishable in accordance with state law:

- A. Failure to pay an administrative fine imposed by administrative citation within fourteen (14) days after it has been imposed unless the matter is appealed to the City as provided herein.
- B. Failure to pay an administrative fine within fourteen (14) days after it has been imposed by the hearing officer, or such other time as may be established by the hearing officer, unless the matter is appealed to district court as provided herein. If the final determination in the administrative penalty process is a finding that no violation occurred, then the City may not prosecute a criminal violation in district court based on the same set of facts. This does not preclude the City from pursuing a criminal prosecution for a violation for the same provision based on a different set of facts. A different date of violation will constitute a different set of facts.
