

OFFICE SOUGHT: COUNCILMEMBER

I'm wanting to introduce myself as I am running for St Francis City Council, in this upcoming election. My name is Amy Faanes, and I have lived here in St Francis since 2010. I live here with my husband, and 3 daughters. We lived in Oak Grove prior to moving here. I have lived in Northern Anoka County nearly my entire life.

If elected, my top priorities are:

Reducing unnecessary spending and reducing property taxes. I would like to see any new large expenses to be put to a vote of the residents of St Francis.

Public Safety, specifically reducing accidents on our roads, Hwy 47 and Bridge Street, and safety in our schools. I feel that the safety of our children in our schools, is of the utmost importance. Some have said, it is expensive (SRO officers and other security features of our schools, I say it isn't expensive, it is Priceless. Also, reviewing and maintaining our Emergency Management Plan.

Keeping St Francis Rural and preserving the history of St Francis. I believe maintaining a small-town feel is important. We all moved here for a reason, having larger lots, and ability to do what we want on our own properties. Within reason, of course.

I try to be involved with the community and have taken a general interest in local politics for many years. I have run for council and school board in the past. I would be happy to answer any questions, and I would be honored to earn your vote.
