

OFFICE SOUGHT: MAYOR

I have lived in St. Francis for 25 years with my wife and family. We moved to St. Francis for its rural setting yet close proximity to the Twin Cities. As a long-term resident of St. Francis, I pride myself in staying informed about what is going on in our community. St. Francis is a vibrant, growing community but I am concerned with recent tax hikes. I believe we need to do a better job of controlling expenses and reducing debt. As mayor, I believe I would bring a fresh perspective on these issues.
